

Grass Roots Tractor Club

2025 Sponsorship Form

Grass Roots Tractor Club was established in 2021 to provide a social setting for members to share a common interest of antique tractors. This includes participating in activities which are educational and recreational for themselves and others.

GRTC hosts tractor pulls and members also participate in tractor drives and shows. The club will be offering scholarships for students pursuing education and careers in agricultural and related fields.

This year we're offering sponsorship opportunities to businesses and individuals. Please consider the options. Sponsorship includes having your name/logo on our Facebook page, announcements at each pull and will receive Year-End Banquet recognition.

GRTC is a section 501(c)(3) organization, and as such, all donations are tax deductible to the extent allowable by law. Please make a copy of this form for tax purposes.
